LEOMINSTER---Kimberly Marie Landry, 45, of Leominster, passed away peacefully surrounded by family on the morning of December 4 after a hard fought battle with cancer.

Kimberly was born on June 4, 1973. She graduated from Leominster High School in 1991. Later, Kimberly pursued her dream of becoming a nurse graduating from Mount Wachusett Community College in 2012. She loved working for Grove Medical Associate in Auburn.

Kimberly had an affinity for the ocean, lighthouses, music, and photography. Kimberly was a force. She was a spitfire, a beam of sunshine on a rainy day, and the truest friend you could have.
